M a d r a s.

Sir,

In communicating G.O.No.Mis.540, dated 15th November 1923 the Port Officer was requested to make arrangements by contract for a boat required for the use of the Port Health Officer, Mangalore, and send --- tenders for my approval. He has accordingly -------- submitted two tenders, one for Rs.23/- and another for Rs.19/-. Krishna Markala who had hitherto taken up the contract on a monthly hire of Rs.15/- refused to take up the work this year as he has already accepted some other work and no one is willing to supply a boat

for a lesser amount. The Port officer therefore ----- recommends the acceptance of the tender for Rs.19/- a month.

As it is difficult to secure a boat for less than Rs.19/- as stated by the Port Officer, I request that the Government may be pleased to sanction the payment of Rs.19/- a month as the hire of a boat for the use of the Port Health Officer. I have, in anticipation of the sanction of this rate, requested the Port Officer to make use of the boat.

Your obedient servant,

For Collector. 11/12

No Ref C./4879-23-95 dated 11th December 1923

[Subject — Hire of boat for the use of the Port Health officer, Mangalore].

Is the Charge (Rs. 19 per mensem) payable during the monsoon when the boat won't be in use?

J.B.B. 5.1.24.

-Generally the Port Health Staff at Mangalore (with the exception of the nurse and the Engine Driver) is retained for duty in the first half year from the 1st April to 31st May and in the second half year from the 15th September to 31st March following. (The nurse and the Engine driver are kept on throughout the year). The Assistant Port Health officer at Mangalore is the Sub Assistant in charge of the Police Hospital and is a part-time officer so far as port health work is concerned. When the port health staff is not working during the period between the 1st June & 14th September & it is not likely that the boat will be used. and But the charge for hire is likely to be payable during that period also. It is

Note

The charge is a contingent one - The present charge for hire of a boat appears to be Rs-15 per mn. The excess cost is ~~therefore~~ only Rs-4 per ~~the~~ a trivial one - The charge is debitable to 33- Public health- Port quarantine charges
